

YOGA^{DUET 7i}

VERSATILITY ON THE GO.

Thin & light doesn't mean having to compromise, with the ultra-versatile and powerful Lenovo™ Yoga™ Duet 7i. Stay productive and creative with a detachable Bluetooth® keyboard and kickstand, innovative E-Color pen and up to 11th Generation Intel® Core™ processor.

WHY YOU SHOULD BUY THE LENOVO YOGA DUET 7i

A mode for every mood

At only 1.17 kg and available in sophisticated Orchid and Slate Grey, the Yoga Duet 7i is as versatile as you are. Work in laptop mode with the folio kickstand and keyboard—or detach the keyboard and prop up the screen on a raised surface for easier viewing, thanks to Bluetooth® connectivity. You can also rotate the kickstand to a lower angle for sketching and taking notes—or switch to tablet mode for easy use on the go.

Performance you can count on

A more intuitive, personalized experience awaits with 11th Generation Intel® Core™ processors, featuring AI that dynamically adjusts performance to prolong battery life. Combined with an innovative E-Color Pen that captures color when you point it at real-life objects, the Yoga Duet 7i will supercharge your productivity and creativity.

Lenovo™

Vibrant entertainment on the go

Enjoy crystal-clear visuals with a 13" 2K touchscreen display featuring 100% sRGB color accuracy and optimized with Dolby Vision™. Offering 450 nits brightness for viewing in low light conditions, the display is also certified for eye safety to protect against strain. Combined with Dolby Audio™ speakers and a Smart Amp that makes the absolute most of your sound, the Yoga Duet 7i is a compact entertainment hub that'll go anywhere.

Smarter than ever

The Yoga Duet 7i's smart features are designed to save you time and effort. Log in with just a smile, and logout automatically when you walk away. Receive notifications when someone's reading over your shoulder, and speak to your digital voice assistant Alexa even above the lock screen in select markets.

BREAKING THE BOUNDARIES OF PERFORMANCE

Unmatched speed and intelligence that makes your experience fast, smooth and easy with up to 11th Generation Intel® Core™ processors and Intel® Iris® Xe graphics.

- Lenovo Voice Assistant
- Lenovo Smart Mirror⁵

¹ All battery life claims are approximate and based on two methods of testing: MobileMark® 2018 battery life benchmark and continuous 1080p video playback on the latest update of Windows 10 (with 150 nits brightness and default volume level). Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

² Available in select markets.

³ The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 20 Gbit/s.

⁴ Only SIM card for LTE version.

⁵ Available in PRC only.

LENOVO SERVICES

Warranty Upgrades - On-site / In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Warranty Extensions (1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.
