

## 16/7 Professional signage solution

### TD-E1 series

From opening to the close of business, robust Toshiba TD-E series displays deliver engaging commercial content and are built to run non-stop for 16 hours per day. The TD-E models are tireless performers, boasting Full HD 1080p resolution and a 178° viewing angle, so your messages always have maximum impact. Designed for value and flexibility, a wide range of connections and several mounting options are available for a variety of environments. Use the RS-232 port to control the display from a central location and to fine-tune the picture settings. Enhanced functionality can be easily achieved too, thanks to the Open Pluggable Specification (OPS) slot. You'll be set up in no time with a dynamic digital signage solution that was made for meeting your business targets.

#### Features

- Full HD 1080p
- 16/7 operation
- Wide Viewing angle
- OPS compatible
- Built in Speakers
