The Dell 28 Ultra HD Monitor

- Incredible onscreen clarity and detail with Ultra HD resolution at an affordable price
- Height-adjustable with pivot, swivel and tilt allows for optimum viewing flexibility and comfort
- Multiple connectivity options provide extra convenience for quick set-up
- Reliable with Dell Premium Panel Guarantee, 3 years Advanced Exchange Service, and Limited Hardware Warranty
- Eco-efficient and meets latest environmental standards

Dell 28 Ultra HD Monitor | P2815Q
711.2 mm (28.0 inches)

The Dell 28 Ultra HD Monitor offers you:

Affordable Ultra HD screen performance

Experience incredible clarity and detail with Ultra HD resolution at a price you can afford:

- See more and do more on a screen with four times the resolution of Full HD with Ultra HD 3840 x 2160 screen resolution.
- Easily multi-task on the expansive 28-inch screen and still maintain content clarity.
- Experience amazing image quality with deep blacks, bright whites, and a fast response time of 5 ms.

Flexible viewing and connectivity options

Boost your productivity with a wide range of flexible viewing and connectivity options:

- Work the way you want to with full adjustability features including tilt, pivot, swivel and height adjustable stand.
- Connect seamlessly to essential accessories and devices via a comprehensive range of connectivity ports (HDMI 1.4/MHL, DisplayPort 1.2[1]/mini-DisplayPort, and 4 USB 3.0[2] ports including one 1.5A charging port).
  - Easily view content from select smartphones and tablets on the larger Dell 28 Ultra HD Monitor via HDMI/MHL connectivity.
- Quickly detach the monitor panel from its stand with the Dell Quick Release feature.
- Experience even greater viewing flexibility when you attach the monitor panel to the optional Dell Single Monitor Arm.

Reliability and efficiency you can count on

- Minimize downtime with:
  - Premium Panel Guarantee[4] which offers a free panel exchange in the event that you discover even one bright pixel during the Limited Hardware Warranty[7] period.
  - Dell's 3-year Limited Hardware Warranty and Advanced Exchange Service[6] providing you with quality you can count on.
- Do your part to help the environment — the Dell 28 Ultra HD Monitor meets the latest regulatory and environmental standards like ENERGY STAR, TCO Certified Displays and EPEAT Gold[5].
  - Energy efficiency and power saving features including Power Nap can help lower energy costs.
  - Environmentally preferable materials make this Dell Monitor easier to recycle.
    - Eco-designed BFR/PVC-free monitor (except external cables) with more than 25% post-consumer recycled plastics in the chassis.
